

# TAILWINDS

Nov. 2017

The RC Aces are affiliated with the AMA (Academy of Model Aeronautics) Charter #1377. Meetings are held the 1st Thursday of the month, Sept. through May at the N. Hampton Public Library at 6:30 PM unless otherwise notified. All members,

## *ROCKINGHAM COUNTY AIRCRAFT CONTROL BY ELECTRONIC SYSTEMS*

### Meeting minutes from 10/05/2017

The meeting was called to order at 6:30 with 14 members in attendance

There was a motion to accept the previous meeting minutes as written in the Tailwinds Newsletter and it was seconded.

The treasurers report was given by Keith and it was stated that we have 35 members to date.

#### Old news

We will be cutting the outer parts of the field next year

The North Hampton 275th home days is Oct. 14<sup>th</sup> but no real idea has been presented on what they want us to do. Thus it has been tabled

#### New news

Since we had a quorum the voting for officers for 2017 / 2018 was done. All officers remained in place with the exception of Cappy Polito and Keith Moreau trading jobs as VP and treasurer.

Our fall cleanup day is Oct. 28<sup>th</sup> and we plan on de-thatching and aerating the runway as well as filling in some holes with loam. Bill Adinolfo will be bringing his tractor for moving the loam but we still need help with spreading and raking the loam out so please plan to bring tools and some muscle for that.

There was a vote to up this years donation to the library for their generous use of the facility to \$400 and it passed.

Dean presented the club with checks for the sale of Tom Kirby's helicopters which Tom instructed to be sold with the proceeds being donated to the club.

There was a motion to adjourn and it was seconded.

There was no show and tell for the evening.

Submitted by Chris Adinolfo

**NEXT MEETING 11/2/2017 6:30 at the Library**

**It's that time of year when we start thinking about the New Year. I know what some are saying gee it's only October what's with the renewal form. Just getting ahead of the curve. One big thing was to make it known to all that Keith has stepped down from the money laundering position and our new man handling the cash is Charles "Cappy" Polito. We thank Keith for his service. In fact today we met at the bank and took care of the paperwork to make him the official treasurer with all the rights and slippery finger material to pay club bills and properly launder the money. The post office box for the club has changed as well so please make note.**

**The flying weather has been good up until the last couple days when rain has entered the area. But we can use it for sure. Saturday the 28th is supposed to be nice for our fall clean up day so come on out to the field and give a hand. Hopefully there will be some flying afterwards.**

**At the last meeting one of our members brought in a list of items that he was interested in selling as physical conditions had interfered with flying fixed wing. I took it upon myself to pick his items up and take them to the North East Club auction last Sunday. I had hoped to sell the items at the auction and generate a few bucks from his un-needed items for him. It turns out that a couple days prior to the auction I received a call asking if I would be the auctioneer as the auctioneer of choice was unavailable. So I said yes thinking if I did good I could get him more money. Things turned out well and there were no complaints regarding my style or abilities as auctioneer. The biggest pay-off came when the next day I went to our members house and presented him with an amount of cash that put a smile on both his face and that of his wife. Those smiles and the smiles of a new member soloing are some of the best parts of the hobby.**
